

RECYCLE VAPES HERE

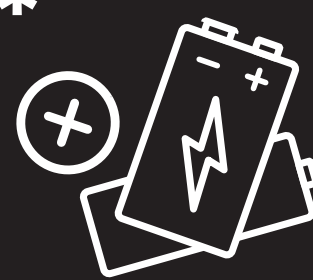

**Batteries inside
vapes can cause fires
when binned**

Poster created by Material Focus

**Can you remove the battery*
from your vape?**

*Some rechargeable vapes only. Do not try to remove
the battery from single-use vapes.

YES:

**Recycle battery in
batteries bin, vape in
electricals bin**

NO:

**Put the whole vape
in the electricals bin**

Thank you for recycling your vapes safely.
