# You wiiiiill join The Great Cable Challenge

Got old or broken cables  
cluttering up your home?  
They're full of precious copper  
which could be reused.

Join The Great Cable Challenge and  
help save thousands of kilograms of  
copper from going to waste

It's simple: bag up your unwanted  
cables and other electricals and  
search '**recycle your electricals**'  
to find all your local donation and  
recycling points.
