THE UK

You wiiiiill join The Great Cable Challenge

Got old or broken cables
cluttering up your home?
They're full of precious copper
which could be reused.

Join The Great Cable Challenge
and help save thousands of
kilograms of copper from
going to waste.

It's simple: bag up your unwanted
cables and other electricals, and
search 'recycle your electricals'
to find all your local donation
and recycling points.

 **recycle
your
electricals**
