

HUMANS OF  
THE UK

# Don't bin them, recycle your vapes

Vapes, like anything with a plug, battery or cable, must be recycled.

Binned vapes and electricals with batteries are causing dangerous fires when crushed in bin and recycling lorries.

Always recycle your vapes and electricals separately from your household rubbish and recycling. Scan or search 'recycle your electricals' to find your local designated drop-off points.

 **recycle  
your  
electricals**
